This Amendment also eliminates non-statutory "use" claims. To that end, the Amendment cancels the "use" claim 5, introduces a new method Claim 13 and makes the "use" claims 6, 7, and 9 method claims depending on new Claim 13. The Amendment also cancels the "use" Claim 8 and introduces a new method Claim 14 instead.

Amendment of the subject application is respectfully requested.

Respectfully submitted,

Victor Repkin
